

## **Urtė Radvilaitė**

Born March 3 1988, Ukmergė, Lithuania.

PhD students of Dept. of Strength of Materials and Eng. Mechanics,  
Vilnius Gediminas Technical University.

### **Education**

Master of Mathematics, Faculty, 2010-2012;

Bachelor of Mathematics, Faculty, 2006-2010;

J. Basanavičiaus High School, Ukmerge, 1994-2006.

### **Work experience:**

Mathematical modeling of the affairs of the Department, 2010-2012,

Computational laboratory operator training, 2007-2010.

### **Research interests:**

Particle shape spherical harmonic functions description.

### **Teaching subjects:**

Mechanics of Materials;

Engineering mechanics.

### **Foreign languages:**

English.
